Minutes

Meeting title: Internship Day 6

Date + Time: April 30,2024, 11:30 am

Location: Jain University, Room-102

Attendees:

Mr. Akash Das

Futurense Technologies,

CSE- AIDE: Sem IV Students

Solution

https://github.com/arj1-1n/internship-phase-2/tree/main/30.04.24

Agenda

1. **Connecting GitHub Repository to VS Code via Terminal and Executing SQL Queries on Databases**
2. **Accessing Practice Resources for SQL Introduction**

Training objectives

Successfully configured integration between a local development environment (VS Code) and GitHub using terminal commands. Commenced proficiency in crafting fundamental SQL queries to interact with databases.

Key takeaways

1. **Version Control Integration: Learned how to link VS Code with GitHub using terminal commands, enabling efficient version control and collaboration on projects.**
2. **SQL Query Fundamentals: Started building foundational skills in SQL by writing basic queries to interact with databases, facilitating data retrieval and manipulation tasks.**
